About Chambers USA:

Chambers USA ranks the firms and lawyers considered leaders in their field through in-depth, unbiased research conducted by its team of highly qualified and experienced researchers. All interviews are entirely confidential and un-attributed, and helps the editorial team to assess individual as well as firm-wide strengths, areas of expertise, and reputation in the market. Greater weighting is given to the opinions of clients, and any biased viewpoints tend to cancel each other out. It is one in a series of Chambers & Partners independent, objective and research-based guides to the legal profession.

Chambers researches, compiles and launches completely new editions of the directories each year. For more information, please visit www.chambersandpartners.com/USA
